Job Opportunity Notice

Position : **Production Engineer – SFA, POX, Utilities**
No of positions : 1
Location : Bay City, Texas
Posting Date : January 16, 2012
Expiration Date : February 16, 2012
Department : Operations
Supervisor : Utilities/POX/SFA (Area 2) Section Leader

GENERAL ROLE OF POSITION:

The Production Engineer works with the unit support personnel and the operations shift personnel to implement the Product Line goals as established by the Marketing and Sales Organization. The goals will relate to production quantities and quality, along with ensuring safety and environmental compliance. The Production Engineer will be focused on removing barriers in the system that prevent the unit from attaining the above goals, and fostering continuous improvement.

MAJOR ACTIVITIES AND PRINCIPAL RESPONSIBILITIES:

- Identifies, develops and implements programs
- Responsible for the integrity of the unit safety shutdown system, including leading the annual review of safety system
- Coordinates or conducts training of shift personnel on quality, unit operations, safety, control schemes or environmental issues
- Actively participates in unit safety, environmental and reliability investigations
- Acts as a liaison between management and shift personnel
- Assists in planning/coordinating annual turnarounds
- Steps up for the Operations Manager
- Coordinates ISO 9000 activities
- Represents Operations on projects

MINIMUM QUALIFICATIONS:

- Should possess a good working knowledge of one or more operating units
- Good human relations skills to effectively communicate with degreed and non-degreed people in all departments
- Ability to accomplish things within the “plant systems”
- Bachelor of Science in either Chemistry or an Engineering discipline
- Should have 5-7 years of experience as an Engineer or Chemist

DESIRED QUALIFICATIONS:

- Knowledge in process design, instrumentation, and process control.

If you feel you have the necessary skills and experience for this position, please email or send your application to the following email address or mailing address:
